CONTEST

The Fremont Area Chamber of Commerce is thrilled to introduce a brand-new holiday tradition — the Fremont Holiday Window Decorating Contest!

This year's theme, "Classic Christmas," invites local businesses to share their creativity, community pride, and festive spirit by transforming their storefronts into dazzling winter displays. From twinkling lights and garland to imaginative holiday scenes, we can't wait to see how each business brings the magic of the season to life.

As you stroll through downtown Fremont this December, you'll discover windows that sparkle with holiday cheer and creativity — each one helping to turn our city into a festive wonderland. The contest is more than just a fun competition; it's a way to unite the community, celebrate our local businesses, and remind everyone to shop local and support the heart of Fremont during the most wonderful time of the year.

We can't wait to see Fremont shine bright this holiday season — where every window tells a story, every display spreads a little joy, and together we create a holiday tradition to remember.
